Department of Counselor Education

CACREP Counseling Programs Vital Statistics Report 2021-2022

Each year to keep all interested parties and perspective students aware of the efforts made in the Department of Counselor Education we provide vital statistics that provide a brief overview of our program, the students in it, and the success they achieve while completing a master’s degree or doctoral degree in counseling at Sam Houston State University. We are pleased to provide the following information based on data from the 2021-2022 academic year.

M.A. - Clinical mental Health Counseling Program (CACREP Accredited)

For 2021-2022, there were 35 graduates. Our graduates consistently achieve high pass rates on licensing examinations. Available pass rate for graduates taking the NCE examination, through the GSA-NCC program is 100%. Of the admitted students, approximately 90% graduate from the program in the expected timeframe and 95% of those program graduates have been able to find employment.

For 20221-2022, approximately 300 students applied, 120 accepted, and 98 enrolled in the Clinical Mental Health Counseling program

Data on state licensure examination pass rates are not provided for this program because not all students take the licensure exam. However, based on the results of the GSA-NCC testing program noted above, most students would be expected to pass state exams.
