Celebrating COE Excellence

Dr. Amber Godwin's book, [*Teaching World History Through Wayfinding, Art, and Mindfulness*](#), will be released on December 15. The book will be published by Rowman and Littlefield. Congratulations, Dr. Godwin!

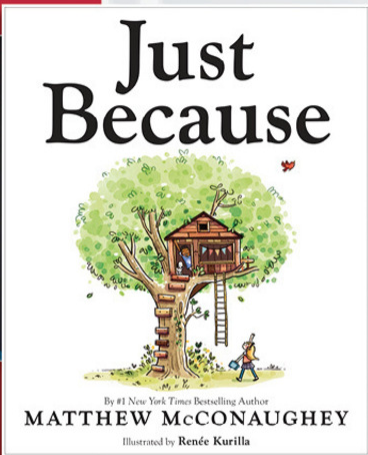

Year-Long Residency special education certification candidates participated in the first of three workshops at the Region 6 Education Service Center (ESC-6). This ongoing partnership between our special education program and disability specialists at ESC-6 is designed to 1) help our candidates learn more about the supports available at region service centers, and 2) receive instruction from the ESC-6 specialists in the fields of behavior supports and inclusive education. Dr. Blackwell and Dr. Landmark were able to take a few photos of a productive morning. Two more sessions will be held at ESC-6 later in the semester.
