Scholarship Overview: Historically, this scholarship has been a small award for students to help them enroll in an LSAT Prep course. This year, however, we hope to be able to offer awarded students enrollment in a prep course for SHSU students only (or primarily). This course would likely have between 3-8 students in it and be conducted through Zoom. To be eligible for the scholarship, students should be classified as a Junior or Senior. In addition, we are looking for students who will not be taking classes this summer, who are members of the Pre-Law Society, who took our Spring Mock LSAT, and whose overall academic performance suggests a likelihood of success in law school. Once we receive all applications, we will ensure the students have requisite hours and are members of PLS, and then we will evaluate the student on (1) their GPA, (2) their Mock LSAT score, (3) their activity level in PLS, (4) their activity level in related LEAP Center events. Students who accept this award should be committed to clearing their summer of extraneous activities so they can focus on the LSAT Prep Course, attending all the prep course classes, completing all the assignments, sitting for the diagnostic tests, and being prepared to take the August LSAT.

Deadline: The deadline for 2022 scholarships is **April 15**. **Awards will be announced on May 1**.
