# MESSAGE FROM THE **PRESIDENT**

---

Dear Graduate,

Congratulations on your momentous achievement! You now hold a degree from Sam Houston State University, one of the top educational institutions in the country. You will join other Bearkat alumni who are trailblazers in their fields, and we are delighted you will represent SHSU in your career and community.

College graduation is a memorable occasion, not only for you, but also for your family, friends, and mentors. Your success represents your sacrifice, commitment, hard work, and determination to create more career and personal options for your future. No doubt you have had many opportunities here, and I am looking forward to seeing how you will use what you've learned and experienced to meet the challenges and opportunities of the future.

During your time at SHSU, the faculty and staff invested in you, offering support, encouragement, and wisdom that comes with past experiences. You made a difference and enriched our campus community, forever leaving your mark at Sam Houston State. Now you can carry the torch passed to you by investing in the lives of those across the state and nation. Our university motto, "The measure of a Life is its Service," provides a meaningful standard by which we can evaluate ourselves as people of purpose who provide value to others. You put the motto in action when you volunteered your time and energy on and off campus, in support of organizations and causes you value. I sincerely hope you have enjoyed your journey towards greater knowledge, skills, and growth. Your unique experiences here, as well as the final culmination of earning your degree, will open many doors for you.

As you move forward with your future plans in starting your career, continuing your studies, or building a successful life, know that you are well prepared but never be afraid to ask for or extend a helping hand. Once a Bearkat, always a Bearkat. And today the entire Bearkat family celebrates your achievement.

Sincerely,

Dr. Alisa White

# COMMENCEMENT **SPEAKER**—DEC. 9, MORNING

Troy Finner discovered a love for law enforcement while taking a class at Sam Houston State University and went on to earn his bachelor's degree in criminal justice. Graduating at the top of his class and the first college graduate in his family, he

went on to pursue a master's degree in criminology from the University of Houston-Clear Lake.

Born in Houston's Fifth Ward and raised in the neighborhood of Hiram Clarke, it was an easy

decision to return to his hometown roots by joining the Houston Police Department.

Finner's HPD career has spanned more than three decades, beginning in 1990 as a patrol officer. As he moved up the ranks, he began performing duties that included outreach with at-risk youths in high-crime areas, serving as a liaison to the mayor's office and working with internal affairs command.

In 2021, Finner was named HPD Chief of Police, serving the fourth largest city in the United States. A leader from the front line during major events, civil unrest and protests, Finner embraces the use of technology and data-driven analysis in the reduction of crime.

Finner has a proven record of bringing unity within the community with operational improvements and initiatives. He is especially committed to youth mentoring programs that aid in bridging the gaps in trust and communication with the police.

# COMMENCEMENT **SPEAKER**—DEC. 9, AFTERNOON

Shelley Dacus received a Bachelor of Business Administration in Finance from Sam Houston State University with a minor in Banking in 2002. She graduated from University of Wisconsin's Graduate School of Banking in 2015.

Her community involvement includes TBA Bank Leadership Council, Texas Future Bankers task force, membership in Financial Women of Texas and

Vistage International, and staying involved with her church in the Woodlands.

Shelley started her career in banking in 2003 in a credit analyst program with Amegy Bank. She is presently the Kingwood regional president and CEO at First Financial Bank NA.

She brings 20 years of banking experience to the position and was part of the Commercial State Banking team that was purchased by First Financial in 2018 where she served as executive vice president and chief lending officer. In her role as regional president & CEO, she is responsible for expanding First Financial's commercial banking footprint in the greater Houston Market.

Shelley has a soon to be 16-year-old daughter and 12-year-old son both involved in sports. She is also the mom of three Labrador puppies.

# COMMENCEMENT **SPEAKER**—DEC. 10

Morgan Chesky is a correspondent for NBC News whose reports can be seen on NBC Nightly News with Lester Holt, The Today Show, and all NBC platforms. While based in Dallas, Texas, assignments have taken the 5th generation Texan all over the world.

Most recently, Chesky spent a month in Ukraine where he reported on the deepening war with Russia. His team's interviews from the city of Zaporizhzhia provided critical accounts of how the Russian military took over Europe's largest nuclear power plant and began imprisoning employees believed to be loyal to Ukraine.

On May 24th, when a gunman opened fire at Robb Elementary in Uvalde, Chesky was one of the first to report the heartbreaking details live from the scene and spent the ensuing weeks and months covering the investigation into law enforcement's response.

Prior to joining NBC News, Chesky anchored and reported in Seattle, Oklahoma City, Austin and Tyler Texas where he built his career on stories ranging from Cuba reopening to American tourists, a solar eclipse at 30,000 feet, to a custody dispute over a pair of pet hogs.

Chesky is a proud graduate of Sam Houston State University where he graduated in 2008 with a bachelor's degree in Mass Communications with an emphasis in Broadcast Journalism.

While a student at Sam, Chesky began his broadcasting career inside the Dan Rather Communications building as a (incredibly nervous) KSHU sports anchor and classic rock deejay before finding his calling in the news department.

Chesky credits his career to his mother Karen and grandparents Bryan and Ada Betty Finley, who made sure he realized how big the world was from his hometown of Kerrville, Texas and never missed an opportunity to share an overseas headline or catch the evening news.

# ACADEMIC REGALIA

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor's gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master's hood is three and one-half feet long and the doctor's hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color indicates the field of study. A color or pattern between the trim indicates the university awarding the degree.

# UNIVERSITY MACE

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the

University and date of establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents with their dates of service are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.

# BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements:

Summa Cum Laude, Magna Cum Laude, Cum Laude,

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College—24 semester hours of Honors courses and two special seminars—the student’s academic transcript will indicate graduation “With Honors” and the student may wear an Honors medallion with academic regalia. To be designated as having graduated “With Highest Honors,” the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

*NOTE: Semester credit hours earned in correspondence courses are not considered “resident classroom instruction” hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean’s List, and President’s Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.*

## VETERANS AND MILITARY MEMBERS

*The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.*

*The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.*

*The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.*

# SHSU ALUMNI ASSOCIATION

The SHSU Alumni Association is your Bearkat connection and exists to serve and sustain the SHSU alumni network of over 140,000 alumni worldwide. Connecting with your alumni network is your most valuable SHSU asset—right up there with your degree. Ultimately, a strong alumni network enhances the value of your SHSU degree.

Download the SHSU KatApp in the Apple store or Google Play store to manage your alumni association membership and enjoy member only discounts nationwide. Other advantages of membership include:

- Invitations to exclusive events
- Alumni publications and e-newsletters
- Traveling Bearkats program
- Networking and volunteer opportunities
- Regional clubs and special interest groups
- Alumni exclusive pre-game tailgates

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate

rate of \$500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.

Follow us on Instagram and Twitter @ SHSUalumniassoc, Facebook @ SHSU Alumni Association
