## SHSU ALMA MATER

Hail to Sam Houston,  
School we love best,  
Mighty in battle,  
True to the test.  
Bearcats so loyal,  
Ever we'll be.  
Orange and white will lead  
Us to victory!

Hail, Alma Mater  
Hats off to you,  
Ever you'll find us  
Loyal and true;  
Firm and undaunted,  
Ever we'll be,  
Here's to the school we love  
Here's a toast to thee.

# MESSAGE FROM THE **PRESIDENT**

---

Dear Graduate,

Congratulations on your momentous achievement! You now hold a degree from Sam Houston State University, one of the top educational institutions in the country. You will join other Bearkat alumni who are trailblazers in their fields, and we are delighted you will represent SHSU in your career and community.

College graduation is a memorable occasion, not only for you, but also for your family, friends, and mentors. Your success represents your sacrifice, commitment, hard work, and determination to create more career and personal options for your future. No doubt you have had many opportunities here, and I am looking forward to seeing how you will use what you've learned and experienced to meet the challenges and opportunities of the future.

During your time at SHSU, the faculty and staff invested in you, offering support, encouragement, and wisdom that comes with past experiences. You made a difference and enriched our campus community, forever leaving your mark at Sam Houston State. Now you can carry the torch passed to you by investing in the lives of those across the state and nation. Our university motto, "The measure of a Life is its Service," provides a meaningful standard by which we can evaluate ourselves as people of purpose who provide value to others. You put the motto in action when you volunteered your time and energy on and off campus, in support of organizations and causes you value. I sincerely hope you have enjoyed your journey towards greater knowledge, skills, and growth. Your unique experiences here, as well as the final culmination of earning your degree, will open many doors for you.

As you move forward with your future plans in starting your career, continuing your studies, or building a successful life, know that you are well prepared but never be afraid to ask for or extend a helping hand. Once a Bearkat, always a Bearkat. And today the entire Bearkat family celebrates your achievement.

Sincerely,

Dr. Alisa White

# COMMENCEMENT **SPEAKER**—AUGUST 6

Preston Johnson Jr. earned his bachelor's degree in accounting from Sam Houston State University and a Master of Business Administration from the University of Houston. An active member of the campus community,

he was a member of Beta Gamma Sigma, Alpha Kappa Psi (professional business fraternity) SHSU's accounting club and a representative on the SHSU Student Senate.

Upon completion of his degree, he joined The Dow Chemical Company where he received continued opportunity for advancement with the company over

23 years of service where he became Global Director of Human Resources. He later joined CenterPoint Energy where he led the Human Resources and Shared Services Organizations as a Senior Vice President. Johnson worked with several Fortune 250 companies before being named as President of Blue Cross Blue Shield of Texas Southeast Region

In his professional career, Johnson's organization leadership included domestic and international strategic business management of human resources in manufacturing, energy, engineering, and construction (E&C), exploration and production (E&P), nuclear services and healthcare. He currently serves as an executive business consultant specializing in change leadership, talent management, employee development, succession management, executive coaching, and organization performance enhancement.

Johnson's career has led to several accolades, including being named a distinguished alumni at SHSU and the recipient of the university's College of Business Administration Hall of Honor award.

# ACADEMIC REGALIA

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor's gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master's hood is three and one-half feet long and the doctor's hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color indicates the field of study. A color or pattern between the trim indicates the university awarding the degree.

# UNIVERSITY MACE

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the University and date of

establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents with their dates of service are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.

# BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements:

Summa Cum Laude, Magna Cum Laude, Cum Laude,

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College—24 semester hours of Honors courses and two special seminars—the student’s academic transcript will indicate graduation “With Honors” and the student may wear an Honors medallion with academic regalia. To be designated as having graduated “With Highest Honors,” the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

*NOTE: Semester credit hours earned in correspondence courses are not considered “resident classroom instruction” hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean’s List, and President’s Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.*

## VETERANS AND MILITARY MEMBERS

*The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.*

*The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.*

*The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.*
