Sam Houston State University
 MEMBER THE TEXAS STATE UNIVERSITY SYSTEM

Elected in December 2015, Sylvester Turner is serving his first four-year term as Houston's 62nd mayor. Since taking office, Mayor Turner eliminated a \$160 million budget shortfall in record time; led the city's remarkable rebound from Hurricane Harvey; championed historic pension reform; cheered on the 2017 World Series-winning Houston Astros; hosted a successful Super Bowl LI; expanded municipal investments in renewable energy; and led the winning bid to host the World Petroleum Congress in 2020. One of the mayor's signature initiatives is Complete Communities, which aims to improve the quality of life for residents in all neighborhoods.

Mayor Turner's civic leadership has been nationally recognized through his service as a member of the U.S. Conference of Mayors Transportation and Communications Standing Committee, vice chair of the National Climate Action Agenda, member of the C40 and Global Covenant for Mayors for Climate and Energy, and an advisory board member of the African American Mayors Association. He is also the recipient of the Ohtli Award, the Mexican government's highest honor.

Prior to his election as mayor, Turner served for 27 years in the Texas House as the representative for District 139. He worked on the House Appropriations Committee for 21 years and served as Speaker Pro Tem for three terms.

Mayor Turner is a life-long resident of Houston and lives in the Acres Homes community where he grew up with eight siblings. He is a graduate of the University of Houston and earned a law degree from Harvard University. He began his law practice at Fulbright & Jaworski L.L.P., and later founded the Barnes & Turner Law Firm. He is the proud father of a daughter who is continuing the family tradition of public service in the healthcare field.

Jamey Rootes has been the leader with the Houston Texans for nearly two decades and currently serves as president. The Texans have consistently been recognized as one of the most valuable professional sports franchises both in the NFL and globally, as measured by a variety of business publications.

Under his leadership, the Texans have earned many distinctions, including numerous "Crystal Awards" for marketing excellence. J.D. Power & Associates recognized the team for providing the best fan experience in the NFL and even featured the Texans as a service success story in their book *Satisfaction*. The Texans also received *Sports Business Journal's* PRISM Award, which is given annually to the top major professional sports team based on business excellence criteria.

For his efforts, Rootes was selected as *Houston Business Journal's* Business Person of the Year in 2016, after serving as the chairman of the Greater Houston Partnership, deputy chairman and vice chairman for two public boards for the Super Bowl Host Committee, and elevating Houston's visibility on an international scale. He was instrumental in bringing one of the largest soccer tournaments, Copa America, to Houston as well as landing *Monday Night Football* in Mexico for the first time in NFL history.

A native of Stone Mountain, Georgia, Rootes graduated Cum Laude from Clemson University's Calhoun Honors College. While attending Clemson, Rootes was a member of the Tigers' soccer team that captured two NCAA titles and he served as Student Body President. While earning a Master of Business Administration with honors at Indiana University, he served as an assistant soccer coach for the Hoosiers. Rootes previously held positions at IBM and Procter & Gamble before entering sports. He lives in West University with his wife and their children.

Randy McIlvoy is a four-time Emmy Award winner for top sportscaster in Texas and has been nominated seven additional times. He joined KPRC 2 in Houston as Sports Director and anchor in 2004.

A native Houstonian, Randy graduated from Bellaire High School and then went on to Sam Houston State University, where he received a Bachelor of Science degree in 1989. His television career began with stops in Port Arthur, Beaumont, and Dallas before arriving at KPRC.

In his current role as Sports Director/Sports Anchor, he appears nightly on KPRC 2 Sports, along with *Sports Sunday* each Sunday night. Every fall, Randy hosts *Houston Texans Gameday* with Head Coach Bill O'Brien and serves as host of the popular *Friday Football Frenzy*. He stays busy with coverage of the Houston Texans, Houston Rockets, and 2017 World Series Champion Houston Astros along with the Dynamo and college teams in the region.

Randy also serves as the voice of the Southland Conference along with play-by-play work on the ESPN family of networks, Fox Sports Net and others.

Randy and his wife have been married 29 years and have two daughters. Together he and his wife founded Logos Prep Academy in Sugar Land in 2006, where she is head of school. In his free time, he is an avid golfer and saltwater fisherman and loves to travel.

BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Cum Laude, With Academic Distinction, Alpha Chi, and Honors Program.

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Alpha Chi, a national honor society organized to recognize and promote scholastic excellence, is open to all university seniors who accepted membership and have achieved a 3.6 or higher grade point average on all college-level course work.

VETERANS AND MILITARY MEMBERS

Sam Houston State University is proud to recognize graduating Veterans and military members with a specially designed veterans stole. The orange stole features camouflage tips bearing the SH logo on the right and the American flag with

GUIDELINES FOR GUESTS

Commencement is a significant and solemn event, the recognition of years of study. To make it more meaningful to all guests, participants are requested to avoid all unnecessary conversation and movement during the exercises.

Only the official photographer is allowed on the floor by the stage.

Candidates will cross the stage as listed in the program.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College — 24 semester hours of Honors courses and two special seminars — the student's academic transcript will indicate graduation "With Honors" and the student may wear an Honors medallion with academic regalia. To be designated as having graduated "With Highest Honors," the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

NOTE: Semester credit hours earned in correspondence courses are not considered "resident classroom instruction" hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean's List, and President's Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.

Veteran designation on the left. On behalf of the entire Sam Houston State University community, President Dana G. Hoyt and the SHSU Administrative Officers extend their deepest gratitude and congratulations to these distinguished graduates.

DR. PHILLIP M. LYONS JR., DEAN

Congratulations to you and yours on this important accomplishment. The faculty, staff, and thousands of fellow College of Criminal Justice alumni are enormously proud you have achieved this personal milestone. We understand how hard you had to work to get here and the significance of your degree for you and your future. Your future is brighter and we are both proud and pleased.

We are also hopeful, not only for your future, but also for our own. Because you have developed skills in critical thinking, an orientation toward life-long learning, and a commitment to service, we know that our communities and society will benefit from your contributions as you go out into the world. If you are among the vast majority of our graduates who will continue in the field of criminal justice, we know that your education and values will be applied in ways that make our communities safer and improve the quality of our lives. SHSU's College of Criminal Justice confers more degrees in the field in this state than any other institution—by far. You and your fellow Bearkats will shape the future of criminal justice in Texas and beyond like no one else.

As you open the next chapter of your lives, we wish you well and hope to see you again soon. Just as we know you will be there for us, so you should know we continue to be here for you. As you embark upon your career, know we are ready to assist in your professional development through our various institutes within the Criminal Justice Center. And if graduate school may be in your future, you should consider our nationally-ranked programs targeted toward working professionals.

Again, congratulations!

Dr. Phillip M. Lyons Jr., Dean

The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.

DR. RONALD E. SHIELDS, DEAN

On behalf of the College of Fine Arts and Mass Communication, I offer a hearty congratulations on your accomplishments as a new graduate of Sam Houston State University. As graduates you have practiced and sharpened your intellect and expanded your understandings of the arts or media in a global context. You are ready for your future and we challenge you to find and live your passions.

This graduation ceremony, marks a clear transition in your life as you continue your journey towards your life goals—every ending becomes a beginning. We urge you to take time today to pause and send thanks to your supportive family and friends, faculty and staff, those individuals who “went the extra mile” to help you balance your student workload and life responsibilities.

Robert Frost reminds us that life teaches a hard lesson: We have to “learn to let go of the hands” as we move from one stage of life to the next. This graduation marks one of these times of letting go. Fortunately, the poet also reminds us that we are never forced to “let go of the heart” as we journey forward through life. With this sentiment, I urge you to keep in touch. Let us know what life brings as you explore your future and don’t be afraid of new beginnings and challenges.

Remember you will always have a home at Sam Houston State University and within the classrooms and stages, rehearsal rooms, production shops, and media studios of the College of Fine Arts and Mass Communication.

Dr. Ronald E. Shields, Dean

COLLEGE OF HEALTH SCIENCES

DR. RODNEY C. RUNYAN, DEAN

On behalf of the College of Health Sciences, I wish to congratulate you for this achievement and significant milestone in your academic life. Whether undergraduate or graduate degree, commencement signals the completion of a formal education. The faculty and staff are confident the knowledge, skills, habits, and attitudes refined and acquired during your time here provide a foundation to embark on a successful career or further graduate education.

The demand for health sciences' professionals increases across our local, state, and global communities. You are entrusted with promoting health, well-being, and sustainability to an increasingly diverse population. Your responsibilities are great, but you are ready!

With commencement you join the thousands of Bearkats who came before you, leaving their marks on society. The value of your education from Sam Houston State University is measured not by the degree earned, but how you leverage that degree to positively impact our world. We wish you health and success, and hope you come back to visit us in the near future!

Dr. Rodney C. Runyan, Dean

The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.

DR. ABBEY ZINK, DEAN

Congratulations! Today is the beginning of the next exciting chapter of your life. The faculty, staff, students, and administration of the College of Humanities and Social Sciences are proud of you and your accomplishments.

Great success in life rarely is a solo effort. Rather, success most often is the culmination of hard work, perseverance, and a strong support network. As we mark your accomplishments, we also want to recognize your family and friends whose encouragement made the difference along the way.

The academic degree that you earn today will carry you into the future. As you chart the way forward, we urge you to keep the university's motto in mind: "The Measure of a Life is its Service."

Again, congratulations! We're honored to have been your academic home at Sam Houston State University and wish you the best with your future endeavors.

We look forward to staying in touch in the coming years.

The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.

With more than 130,000 living alumni, the best way to stay connected and show your Bearkat pride is to join the alumni association.

Download the new SHSU KatApp in the Apple store or Google Play store to manage your alumni association membership and enjoy member only discounts nationwide. Advantages of Alumni Association membership:

- Invitation to special events
- Alumni publications
- Alumni discounts (check alumni.shsu.edu for discount listings)
- Alumni networking
- Monthly Sam e-newsletter
- Regional Alumni Clubs and Special Interest groups

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate rate of \$500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.
