

College of Health Sciences
Undergraduate Student Change of Major

This form initiates a change to your degree/major/minor/concentration with appropriate approvals.

Instructions: Forms must be initiated by an Academic Advisor or Department. Forms are accepted following the appropriate approvals.

Table with columns: Sam ID, Last Name, First Name, Date. Rows include Department of Population Health, Department of Family & Consumer Sciences, and Department of Kinesiology.

Kinesiology Majors are required to have a minor. List minor(s) below any available minor may be selected. See SHSU Online Catalog for available minors: https://www.shsu.edu/dept/registrar/forms-and-documents/faculty/Minors+List.pdf

Form fields for 1st Minor, 2nd Minor, Academic Catalog Year, and Certificate (Concurrently enrolled in a B.A. or B.S. program; or a post-baccalaureate.)

Student: I acknowledge that I will complete the minimum degree requirements as required for stated degree. I am aware that it is my responsibility to know the minimum degree requirements and any requirements above and beyond as required by my academic discipline (degree/major/minor/concentration). This is not an application for degree. you must apply for graduation in the term you anticipate fulfilling degree requirements.
