Q18. Do you have any additional suggestions regarding campus activities?

Count	Percent	
6	9.09%	 Yes (please explain)

Count	Percent	
1	16.67%	 Better performers at sammypoolza. Better giveaways at sporting events
1	16.67%	 -better performers for sammy palooza and better times
1	16.67%	 I feel like a vast majority of the events hosted are left leaning in nature and some speakers should be brought in that are more right leaning because I do not feel that I am fully represented on campus which representation is apparently a big deal to a lot of people. Also put in an EDM DJ next year for sammypalooza, that wouldbe dope.
1	16.67%	 I really wish more was done during Native American history month, because as an indigenous individual, I feel alone at Sam because I can't exactly connect to others, and have had people make fun of my traditional clothes, etc. Basically I just wish there was more to showcase Indigenous people.
